The Institute as a whole has to be taken into account in deciding out if the clerical & menial establishment as a department or not and requires strengthening in the case of individual Sections. The reasons given for the proposal to entertain an Asst Store Keeper & an Asst Clerk is the separation of the Commercial Section. It is not clear why this separation should necessitate the entertainment of additional hands.

Details for the clerical & menial Establishments of the other Sections are not given. It is not therefore quite clear if the additional help required for the Industries Section cannot come from some of the other Sections without any new hands being entertained.

To C.S. Balasundaram Iyer, Esq., B.A.,
Secretary to the Government of
His Highness the Maharaja of Mysore,

Bangalore.

SIR,

I have the hohour to forward herewith copies of letters No. 1324 / 298 and 1327 / 301 dated the 8th and 9th April 1915 respectively from the Superintendent, Arts, Industries and Crafts Sections of the Chamarajendra Technical Institute, submitting the Resolutions of the Managing Committee, regarding the additional establishment required for the Institute. The need for the services of an Assistant Store-keeper and a sale-room clerk is very keenly felt and I therefore request that Government may be pleased to sanction the two appointments on a salary of Rs.25 each per month as recommended by the Managing Committee of the Institute.

2. Again, the menial staff of the ~~Inx~~ Industries and Crafts Sections consists at present of 9 members as noted in the margin and much difficulty is now felt in keeping the large premises of the Institute clean and tidy with the present limited establishment. The appointment of two more sweepers on Rs.7 each per month is necessary.

3. In these circumstances I request you to be so good as to obtain early orders of Government on my proposals, which may be given effect to from 1st July 1915. The additional charges amounting to Rs.704 required for next year may be kindly ordered to be provided in

the

the budget for 1915-16.

4. I beg to add that a proposition statement for the appointment of a Machine Instructor for the Institute has been sent through the Comptroller with my letter No.16464/1059 dated 5th April 1915 and a complete statement embodying all the changes has now been forwarded in duplicate to the Comptroller for verification and submission to Government.

I have the honour to invite the favour of your attention to Resolution No.IV of the Proceedings of the Committee Meeting of 30th January 1915 (copy noted below) recommending the appointment of 2 additional menial servants to the Industries and Craft Section of this Institute and to request the favour of very early orders thereto as the work of the Institute is suffering for want of sufficient menial establishment.

Resolution No.IV.

Proposed by the Superintendent, Industries Section, that as the present menial establishment is insufficient to keep the premises clean and tidy, two sweepers on Rs.7 each are absolutely necessary.

Resolved that the proposal be recommended for sanction.

Letter No.1324/298 dated 8th April 1915 from the Superintendent, Industries and Crafts Section, Chamarajendra Technical Institute, Mysore, to the Inspector General of Education in Mysore.

With reference to correspondence ending with this office letter No.1273/290 of the 25th March 1915, I have the honour to invite the favour of your attention to Resolutions 1 & 11 of the Proceedings of the Committee Meeting of 30th January 1915 (noted in the margin) and to request that you will be so good as to sanction, at your earliest convenience, the appointments of an Assistant Store-keeper and a sale-room clerk on Rs.25 per month each. It has been found impossible to bring the accounts of Stores to order unless an Assistant Storekeeper is given. Now that the Commercial Section has been separated, the clerk appointed for that Section who has been doing the duties of the Sale room clerk and Time keeper, cannot be spared for the Commercial Section until an additional hand is given.

Under these circumstances I request the favour of your very early orders in the matter.

Resolutions Nos.I & II

(1) The audit report by Mr. Rangaswamy Iyengar on the accounts of the Workshop for the months of October and November was taken as read and the form of the accounts suggested therein were recommended to be adopted. Resolved that the Inspector General of Education be requested to appoint an Assistant Store-keeper at an early date as recommended in the report and confirmed by the Committee at the Meeting.

Messrs. R.V. Sundaram Iyer and T.G. Lakshmana Rao were requested to conduct the next audit and get it ready for the next meeting to be held about the end of February.

(2) Proposed by the Secretary that a full time sale room clerk

clerk and Time-keeper be entertained from the 1st February, as the clerk who was lent by the Commercial Section till now for this work has to revert to his legitimate duty.

Resolved that the proposal be recommended for sanction.
